The Lady Wore a Hard Hat: Building Medical Facilities (Paperback)

By Ellen Ford

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. At forty-five, Ellen Ford was unemployed and looking for a career change when an architectural drawing course started her down a path she'd never considered. Based on her success in the course and interest in the subject area, a college advisor recommended she enter the school's construction management program. The idea was intimidating. To succeed, Ellen would have to overcome deep-seated test anxiety while studying a discipline where women were, at best, a minority. But Ellen would thrive in the world of construction management-even though in the months after graduating, jobs always seemed one interview away despite her honors performance in college. The mid-1980s were difficult for women in construction. Ellen persisted, however, eventually landing a position as a project manager for one of the nation's leading construction management teams. This lady wore a hard hat-and she wore it well. An inspirational and instructional treatise on one woman's personal transformation offering professional recommendations for those in the field, *The Lady Wore a Hard Hat: Building Medical Facilities* is a fascinating window into the world of construction management that details the many challenges, issues, and rewards...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
